

If you're new to Medicare, I can help answer your questions

Let's walk through your plan options together

Now that you may be eligible for Medicare, you have a lot of options. You may have questions about the best way to protect your health — and your finances. I can work with you to find the right plan to meet your individual needs.

JAIME.VAZQUEZ@ANTHEM.COM

When you call, we can:

-  **Determine** your specific needs and budget goals.
-  **Review** your plan options — including plans with \$0 premiums, so you can feel confident in your choices.
-  **Discuss** the enrollment process, and I can answer any questions you may have.
