

Use the Find Care tool

at [anthem.com/ca](https://www.anthem.com/ca) to find an Anthem provider

The Find Care tool from Anthem Blue Cross was created to make it easy to find the care you need. Use this quick step-by-step guide to help you find care.

- Go to [anthem.com/ca/find-care](https://www.anthem.com/ca/find-care).

For guests like you, choose **Basic search as a guest**. This is available to everyone without logging in.
- Scroll down and complete the following fields:

 - Select the type of plan or network — Use the dropdown menu to choose **Dental Plan or Network**.
 - Select the state — Use the dropdown menu to choose **California**.
 - Select how you get health insurance — Use the dropdown menu to choose **Dental**.
 - Select a plan or network — Use the dropdown menu to choose **Dental Prime**.
 - Select the **Continue** button.
- Enter the city, county, or ZIP code on the top left. You now have two options to narrow your search:

 - Option 1** — **Enter a care provider by name or specialty in the search box.** The results will appear below the search box, where you can select the name for more details about the care provider.
 - Option 2** — **Search by Care Provider.** Select the icon of the type of care provider you're looking for. The results will appear on a new screen, and you can select the care provider name for additional details.
- View your search results:

 - Choose the printer icon to print the results of your search, or select the email icon to email the search results (only the first 100 listed care providers will appear).
 - Select a care provider name to see more details.
 - Choose **Back to Find Care** on the upper left or the **Back** button at the bottom of the screen to return to your results.
